The information shown on this map was compiled from sources as follows:

1. Topography is photogrammetric (flown) and has not been verified by field survey.
2. Map indicates obscurity in some areas due to heavy vegetation.
3. Stream delineation was performed from Horizon Environmental.
4. Flood plain shown is compiled from published flood elevations and topography (see #1 above).
5. Utility locations shown are as provided and/or marked by Ellijay-Gilmer County Water & Sewer Authority.

Neither the property owner nor Chastain & Associates, P.C. extend any warranty or certification to these items.
